A Select Guide to Treatises, Hornbooks, and Study Aids Available at the Underwood Law Library

This guide lists selected treatises, hornbooks, and study aids available at the Underwood Law Library. The listings provided for each subject area are merely recommendations, and should not be considered exhaustive. The call numbers for each item are linked to the appropriate record within the Southern Methodist University library catalog, through which holdings information may be viewed. Furthermore, the availability of individual treatises on Westlaw and/or LexisNexis is noted. If you have any questions regarding this guide or resources available at the Underwood Law Library, please consult a reference librarian.
